PROLOGUE

The admission in new academic session 2026-2027 is open for Diphu Government College; the college offers both Higher Secondary courses as well as four years UG programs(FYUGP) in three streams of Arts, Science and Commerce. In this connection, I would like to highlight a few points to facilitate both the admission seekers as well as parent and guardians.

The mode of application for admission is online. Since this method is quite new many of us, mutual help and assistance is very much required. So those wanting to get admission in Diphu Government College, Diphu (for that matter in any other institutions as well) have to visit the website(s) for admission and apply online using the portal. For example, Assam State School Education Board (ASSEB), Div-II has offered the platform called “Darpan” which is the web portal for Assam Higher Secondary online admission. Likewise, for UG programs a separate website and portal for admission is provided. It has to be kept in mind that the portal is open only for a certain period of time. So, care should be taken to complete the online submission of application for admission within that period. Thereafter, if selected for admission, several steps are to be followed for completion of the admission processes.

Diphu Government college is the Lead College of Karbi Anglong and West Karbi Anglong district of Assam State School Education Board (ASSEB), Div-II. The college is introducing the subject ‘KARBI’ as one of the Ability Enhancement Courses (AEC) from the coming session i.e. 2026-2027.

The college has been offering academic courses strictly in compliance with NEP 2020 guidelines. Besides the regular courses of study, there is an IGNOU Study Centre and in the Session 2024-25, K.K.H State Open University Study Centre was set up in the college. The college is also planning to open more departments like Anthropology, Sociology, and some integrated courses. The new courses will be opened very soon in view of NAAC assessment and NEP institutional development plan.

Having said so, I appeal all stakeholders to help in taking Diphu Government College to a new height and make it second to none.

Finally, to the candidates who are likely to join Diphu Government College, Diphu in the academic session 2026-27, I extend a very warm welcome on behalf of all the members of DGC fraternity. May your dreams be fulfilled through proper education so that you become a good citizen of the country.

May God bless all.

PROFILE

DIPHU GOVERNMENT COLLEGE

Diphu Government College is NAAC accredited (B⁺⁺) higher educational institution in Karbi Anglong District of Assam. It was due to the pioneering efforts and visions of Lt. Chatra Sing Teron, Lt. Sai Sai Terang, Lt. Jogendra Nath Goswami, Lt. Dhoniram Rongpi, Lt. Joysing Doloi Terang, Lt. Sar Rongpi and Lt. Padma Kanta Barua, that the college could be formally inaugurated on 23rd June, 1964. The College was a venture Arts College and started initially with only seven students and five teachers. Subsequently the college was incorporated by Government of Assam in the year 1967. A lot of combined efforts were made by the noble founders along with the founding Principal Dr. P.K. Bhuyan and student leaders. Their tireless efforts could convert the college into Diphu Government College. However, Science and Commerce streams were introduced in the year 1979 and 1987 respectively. The College campus is located at latitude 25.84° and longitude 93.42° on a hillock of the district head quarter, Diphu. The college campus is spread into an area of 82 bighas of land. It has 15 Departments, around 5000 Students, one Principal, one Vice Principal (appointed by Karbi Anglong Autonomous Council: KAAC), 91 Teachers, 4 Library staff and 70 Non-teaching staff at present.

The college realizes with Dr. R. Kothari that “in the rapidly changing world of today, one thing is certain- yesterday’s educational system will not meet today’s and even less so, the need of tomorrow.” The college is aware of the need and urgency of equipping the learners with tools required for making them compatible to the context of the ever-changing global scenario. Gradual introduction of Degree programs in Arts, Science and Commerce streams is driving the college close to the cherished goal of imparting higher education facilities in this District. Considering the parameters of employment opportunity, value addition, skill formation and global relevance, the college has been putting relentless efforts in diversifying its courses of studies/programs. Introduction of various courses and programs in recent years proves the dynamic character of this college.

“EMBLEM AND MOTTO”

“MOTTO”

The motto of the college,

**“ANO BHADRAH KRATAVYO
YANTU VISHWATAH”**

Is a Sanskrit verse taken from the Rig Veda. The meaning of the verse /motto is “Let noble thoughts come to us from every side”.

**The Motto was collected by
Prof. Udai Bhanu Pandey,
Former Principal i/c, DGC.**

EMBLEM

The emblem of the college is the **Jambili Athon**, which is also the cultural symbol of the Karbis. The **Jambili Athon** is an artifact, made from the wood of the *Bengvoi Tree* (*Holarrhina antidysenterica*). The artifact consists of a main stem and four branches. On the main stem, there is the *Vojaru* (Drongo Bird) and on the side branches are perched different kinds of birds. The **Jambili Athon** is ethnically decorated with beads and *Sobai* (Couries). According to tradition, the *Vojaru* stands for the Karbi King and the other birds symbolize the representatives from traditional territorial divisions of the erstwhile Karbi Kingdom. In short, the **Jambili Athon** reflects the socio-political structure of the Karbis. The hills in the background symbolize the traditional life of the people of Karbi Hills (Anglong). Just below the **Jambili Athon** is a lighted lamp which symbolizes the light of knowledge that dispels darkness and ignorance. The whole symbol is encircled by the motto and name of the college. Below the name of the college is the year of establishment. This emblem was selected for the college since the institution is situated in Karbi Anglong (Karbi Hills); a district carved out for and named after the Karbi Tribe.

“The Emblem was drawn by Lt. Basanta Das”

It has been noticed on many occasions that many of the students commit grave mistakes with respect to their Academic, Examination, Office and University related works due to lack of proper guidance and timely warning from teachers, guardians, etc. The students fail to optimise and get the benefit of the available learning resources on account of ignorance. As such a TEACHER-GUIDE PROGRAMME has been conceptualised and subsequently instituted from the academic session 2005-06 in order to legitimise the teacher-student interface so that the student community is benefited of effective guidance, advice etc from the teachers.

Under the TEACHER-GUIDE PROGRAMME, a teacher (excluding the contractual teachers) would guide a group of students of about 30 to 40. Other things remaining the same (such as workable size of the group), effort has been made to constitute groups belonging to the same stream. The guiding activities will be confined within the objectives and areas mentioned as follows: class attendance monitoring, guiding co-curricular activities, career guidance and counselling, library use guidance, examination related guidance, college related information, and any other viewed necessary to better college academic performance.
